Rapid urbanization has created a disconnect among some humans and the natural world. This prevents us from realising that the real world is in Nature. Sunlight is converted into chemical energy by green plants. Green plants produce and store in excess of their needs. Animals eat the stored food and get energy from green plants. Humans are animals with more abilities than most other animals. This extra ability has been used to extract benefits from nature. However the rate at which we are extracting benefits is greater than the rate at which Nature can replenish itself. This tilt will mean that we will reach a tipping point and doom ourselves to destruction. To avoid this we must protect Nature. • [H3] Explore Domestic & International Tour Packages from Delhi starflyer.in • [H3] Book Outstation Cabs One Way Taxi Online Gaadi... gaadicab.com • [H3] Concrete Block Plant Manufacturers in Hyderabad 7675989961 Buildmate buildmate.in • [H3] The Perfect Goa Tour Experience: Expert Guide & Seamless Transfers goatours.co.in • [H4] Recommended Stories • [H4] Protect Earth and Nature • [H4] Categories • [H4] Latest • [H4] Tag Cloud • [H4] Login • [H4] Register
